Town Approves In Principle Legion Land-Swap Proposal

The St. Albert Legion obtained a land-swap proposal in principle from council Monday night and the deals to be covered by a 99-year lease. This motion made by Councillor Rod Thronson was carried unanimously and thus paves the way for the local Legionnaires to proceed with their plans to build a more elaborate complex.

Spokesman for the Legion, Reg Bremner, accompanied by Mr. Hodgson and Legion President D. Taylor, explained to council that present Legion lands measuring approximately 53,000 square feet would not be sufficient for the proposed complex. Other sites were viewed by Legionnaires and

the most suitable would be the town-owned property located on Mission Avenue where the Teen Centre is presently located.

Mr. Hodgson pointed out to council that the Mission site, measuring approximately 93,500 square feet would be an ideal location and urged council to consider exchanging the Legion's property, including the building for approximately three lots in the Mission site.

Mayor Ray Gibson and Councillor John de Bruijn, both being members of the Legion disqualified themselves by abstaining in the voting.

Council favorably received the Legion's submission

and very little discussion ensued after Legion spokesmen explained all aspects of the situation. Councillor John Bekker did try to make light of the fact that the Legion's present holdings had originally been given by the town and was about to comment about the merits of the town giving additional lands to the Legion in exchange for former town-owned property when Reg Bremner cut the comment short with the statement "It was customary during post-war years for towns and cities throughout Canada to give land to Legions, in recognition of the Boys having done their thing during

Child Centre Contract

If all terms under negotiation between No. 3 School District and the newly-created Child Development Centre can be resolved, St. Albert's Public School System will be the first in Alberta to enter into a contract with the centre to

attempt to satisfy the need of children with learning difficulties.

Members of St. Albert's Public School Board met recently with Dr. J. Sylvis, executive director of the Child Development Centre, a clinic for children with

learning difficulties. The centre is located in St. Stephen's College on the University of Alberta campus and Dr. Sylvis heads a staff of specialists in the field of children with learning difficulties.

The aim of St. Albert's No. 3 Board is to draft an agreement with Dr. Sylvis whereby specialists from that centre would be made available to the Public School System, hopefully starting May 1st.

The No. 3 School Board held another meeting with Dr. Sylvis and Mr. Denis Bramer, a member of the Child Development Centre executive, last Wednesday while negotiating terms of a contract with the offi-

Arena Ready Sunday Kinsmen Skate-a-thon

The annual Kinsmen Skate-a-thon goes Sunday at the Arena, which is going to be a busy place as residents of all shapes, sizes and ages get in the act to enjoy a good skate and support Kin community service.

See Lieutenant-Governor Grant MacEwan, Mayor Ray Gibson and radio personality Dave Ward in action.

Dave is the dark horse in this trio, the other two having skate-a-thon rivers from the 'olden days' before the arena, when the event was held on the river.

And of course the kids from toddlers to teens will be ready to show mom and dad what they can do when they really get going on those laps!

Marcel de Champlain, public works superintendent points at broken windows in the town pumping station. Mr. de Champlain discovered the dozen-or-so broken window panes Monday morning. St. Albert RCMP are still investigating what is considered to be acts of willful damage. Police found rocks inside the two-storey structure where windows had been smashed. Mr. de Champlain estimates the damage in excess of \$300.

Regional Rec. Proposal Fails To Get Sanction

The Sturgeon Municipal Council declined to approve a motion presented at its regular meeting last week which would have ratified a regional recreation board concept which has been on the drafting table for several years.

Briefly, the regional recreation board proposal has been hammered out over the past four years by representatives of the MD of Sturgeon, the Sturgeon School Division, the Town of Morinville, the Thibault School District, Village of Legal, Legal School District, Bon Accord, Gibbons and recreational representatives who formed a steering committee of 11 people.

During the years that the regional recreation board agreement was being drafted clause by clause, much discussion and study took

place in all centres concerned. It became clear that the regional concept had both enthusiastic supporters and others with reservations about the proposed funding and its projected costs to the ratepayers.

Last Thursday, at the MD's regular meeting a motion was made which said in part that the Reeve of the MD and the secretary-treasurer be authorized to sign the regional recreational

board agreement. When the question was called the vote came out 4 - 3 against the motion.

In view of the unexpected reversal of the motion, which dealt with a recreational concept that had captivated the zeal of many MD ratepayers, a hue and cry of 'foul play' reverberated throughout the municipality, especially in the

Cyclists Issued Warning

With the advent of Spring, police in St. Albert foresee the old problem of youngsters riding their bicycles on town streets and avenues. This in itself is not a crime, however, if the youngster's bicycle is improperly equipped with lights and rear reflectors it can be fatal.

A memo from Sgt. E. L.

Rheault, commander of the St. Albert RCMP Detachment issued this weekstates that all bicycles must be properly equipped with lights and rear reflectors to comply with the VHT Act. The memo proceeds to explain that anyone operating an improperly equipped bicycle is liable to prosecution under the Act.

In an interview with Sgt. Rheault last Tuesday, the Gazette was informed that the police are not 'out to get youngsters and issue expensive tickets' but simply want all citizens to be aware of the dangers, comply with the law and thus avoid accidents.

Police keep Sharp Vigil On Construction Sites

RCMP in St. Albert reported that charges have been laid against two separate parties who were in the process of hauling building materials away from construction sites in town.

Sgt. E. L. Rheault told The Gazette that home developers in St. Albert have been reporting substantial losses at their construction sites and in view of this, RCMP patrols have been accelerated and this has paid off.

Sgt. Rheault said his men came upon a couple of unauthorized persons loading a truck with building materials. These were charged with theft over \$200 while later another unauthorized person was seen getting ready to load up with valuable materials from the building site. He too was charged. All parties concerned will appear in St. Albert court.

A note of warning was issued by the St. Albert Police stating that construction sites within St. Albert are not only patrolled more extensively by the

police but that construction firms have been reporting so many losses on these sites that security guards are now on duty around the clock including weekends.

Dogs blamed - Skunk guilty

Thinking to stop dogs from spilling garbage containers, Ethel Ward of Flagstone Crescent took special care to fasten the lids on her plastic containers tightly. Glancing out her family room window Saturday evening she found that the dogs had been unjustly blamed. For there was a skunk, sitting on top of the can, working away at the fasteners, and as she and husband Gerry and son Stephen watched, the little fellow did indeed pry the cover open and gradually work his way down till only the tip of his tail was in view.

At this point three cats appeared on the scene and the Ward family expected to see plenty of action. However the cats took up positions on the doorstep as interested spectators whom the skunk completely ignored. He successfully extracted some lamb chops bones wrapped in cellophane, and began his supper.

By this time Gerry and Stephen had looked up in the encyclopedia what skunks like to eat and discovered eggs are a favorite. So they put a bowl of beaten eggs on the step, shooed away the cats and enticed their visitor to come up for a closer inspection. At the same time Gerry noticed a space under the step, and is now wondering if that is home to the skunk, and whether they might expect a family to emerge at a later date.

A flash fire Saturday afternoon at the Dairy Queen in St. Albert resulted in causing considerable damage to kitchen equipment and parts of the building, but no estimate of costs have been announced yet. Flames broke out in the Dairy Queen's brazer area Saturday at about 1 p.m. when it appears ventilation equipment failed. Soon the premises were filled with smoke and fire was detected making rapid progress up through the venting chimney and heading towards the roof. Quick action with extinguishers by Dairy Queen staff kept the flames contained until St. Albert Fire Department crews came on the scene. Max McCann, owner of the St. Albert Dairy Queen outlet announced he will be back in full operation Thursday or Friday at the latest. In the meantime, while the DQ is under repairs, ice cream and fountain service continues as usual.

Regional Rec. Proposal

Continued from Page 1
Town of Morinville itself. This reaction prompted The Gazette to obtain a comment from Reeve Walter Van de Walle who issued the following statement:

"I received, during the past month, opinions of many ratepayers of division 6 who expressed their appreciation and support for the 1972 recreation program of the Sturgeon Recreational Board." Mr. Van de Walle went on to say that these residents of his division have indicated to him that the recreational program as it presently exists in the Sturgeon MD should continue in the same manner in 1973.

"The consensus was," Mr. Van de Walle said, "that if there was to be an increase in the municipal millrate, it should be in the area of public works."

Mr. Van de Walle told The Gazette that in keeping

with the wishes of the ratepayers in division 6, he will support that position.

In an interview with Reg Crozier, MD councillor who made the motion which would have led the way to the establishment of a regional recreation board, he told this reporter, "I'm very disappointed that the motion failed to pass but I'm not prepared at this time to make any further comment."

In a subsequent interview with Reeve Van de Walle, The Gazette attempted to find out whether the regional recreational board issue was now dead or simply shelved and whether there was a possibility of the proposal coming back on the Sturgeon MD's agenda.

Mr. Van de Walle replied that the regional recreational board issue was by no means killed but simply temporarily shelved and could certainly return on the MD council's agenda.

But Mr. Van de Walle would not commit himself as to when the issue may reappear at council. He did, however, admit that it may be discussed at the annual meeting, Saturday, March 24.

No. 3 S.D.

Continued from Page 1
cials. Although things are still at the negotiating stage, both parties are getting closer to a workable contract and according to School Board officials, terms could be agreed upon for the May 1 starting date.

Speaking on behalf of the school board, Mr. Maloney told The Gazette that negotiations with the learning centre include very specific terms, like diagnostic services for No. 3 students with learning difficulties, visits by the specialists to St. Albert schools and remedial problems to be dealt with, especially at the elementary grade level and preferably identified in the early grades.

Mr. Maloney estimates that there are about 5 per cent to 10 per cent of students in the public school system in St. Albert with learning difficulties varying in degrees of severity. On the basis of these findings, Mr. Maloney concluded by saying that the No. 3 Board is very anxious to conclude a contract with the Child Development Centre and thus attempt to satisfy what he terms as a very vital need in the school system.

Council

Continued from Page 1
the war."

Councillor Bakker had made similar observations at previous council meetings and when he saw that Legionnaire Bremner was having no more of these, he quickly explained it was not his intention to assess the merits of the last war and promptly dropped the subject.

When the question was called on the motion that a land-swap in principle be accepted, with terms of the land-exchange spelled out in an agreement, the vote came out 5 - 0 in favor of the motion.

Subsequent comments on the location of a teen centre, terms of the lease, transfer of titles and the such were agreed to be included specifically in a firm agreement with terms worked out by negotiating officials of both the town and the Legion.

Town of St. Albert

PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the lands west of Langley Avenue and north of McKenney Avenue as shown on the plan below presently zoned Residential Comprehensive (RX) to Residential - Single Family (R1C).

The proposed Bylaw #14/73 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 16th day of April, 1973 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 10th day of April, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

Town of St. Albert Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the lands north of Leddy Avenue as shown on the plan below presently zoned Residential Comprehensive (RX) to Residential - Single Family (R1C).

The proposed Bylaw #15/73 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 16th day of April, 1973 at 7:55 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 10th day of April, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. W. Bowen,
Secretary-Treasurer.

Mayor Ray Gibbon with skates and pledge cards in hand, heads into St. Albert and District Arena to begin training for the big annual Kinsmen Skate-a-Thon on March 25. The mayor is an enthusiastic supporter of the event each year.

Well known as a radio personality (and in other public endeavors) Dave Ward plans to get in shape for the skate-a-thon in the Kinsmen Field House. Fans will see him in action in St. Albert March 25.

Cultural interests theme of discussion at public meeting

By Florence LeFebvre

This time the Department of Culture, Youth and Recreation comes to St. Albert to discuss culture -- instead of sport. Do you remember the St. Albert Centennial Pageant? Were you in the pageant? Now, that was culture -- St. Albert style!

The word "culture" can evoke different things in various kinds of ways to as many types of people. The word somehow means snobishness to some, whereas it is the normal to others.

In our search to interest the community of St. Albert in discovering that culture can be fun, let this be an invitation to you to join in on an evening of discussion with representatives of the Provincial and Federal Governments which may well prove to be highly informative as well as pleasingly entertaining.

A five-member discussion panel consisting of three members from the Department of Culture, Youth and Recreation, namely, Pat Algie, information officer, Roy

Agnew, co-ordinator of Youth Opportunities and Mr. Dick Wong, who is assistant to the Minister, will sit in as consultant. Added to these will be Bob Wray, Regional Officer of the Federal Department of the Secretary of State and Mr. Phil Lamoureux of the Department of Education.

Are you interested in music, drama, writing, dancing, learning languages, singing -- art in all its forms, as well as appreciation? There is a group in St. Albert who is interested in co-ordinating individuals with the same interests in viable groups who can satisfactorily produce something beautiful out of the ordinary things that surround us.

What is your principle interest along these lines? Is it painting? What form of art are you even slightly inquisitive about? You name it, and you can pursue it beyond its current uses or applications to its theory and its history, its oddities

and surprises. Join, so that in discussion we can find out from these representatives how we can be assisted and what are the resources at our disposal.

On Friday evening, March 23 at 7:30 p.m., you are invited to listen to several guest speakers, members of a panel discussion, ask questions! To climax the evening, scenes of the Centennial Pageant "Mio Kiskisewan" will be shown in order to relive again the highlight of the 1967 Celebrations. To many of us, that was culture which entailed a lot of planning and hard work, but it was conceived, written and produced in St. Albert. Would it not be splendid to have it repeated in St. Albert? Would it not be worthwhile finding out if it were possible? Let's ask the question to ourselves and of others on Friday, March 23 at 7:30 p.m. Be one of us.

Note: Mrs. Lefebvre is the Interim Chairman of the St. Albert Cultural Group.

Business as usual - and then some!

Since the start of the New Year the St. Albert Public Library has been quietly carrying on with business as usual as well as expanding madly in all directions, and the figures are there to prove just how active a place your library has been.

The book collection passed 20,000 volumes last month.

Over 3,200 books have been added to the shelves since the first of this year.

Circulation now tops 9,000 books a month -- about 400 books a day.

Monday, March 12 was the busiest day to date in the library's history with a circulation of 632 books.

The library makes over 20 inter-library loans a month from other libraries and has even loaned books to the Calgary Public Library.

The very popular preschool story hours now attract over 140 pre-schoolers a week to the library for an hour of stories, songs and games.

The library currently subscribes to over a hundred periodical publications from Mad to Paris Match.

The library lecture room has been booked every week night and the occasional

weekends by local groups this month.

Business as usual? Hardly! And now the library is looking forward to providing a wide selection of paperbacks in both the adult and juvenile departments, a summer reading club for local children and several other community services and public programs for the fall.

Did you know that your public library is one of the very few in Alberta that does not charge a membership fee? Since January 1 of this year, any resident of the town can join and use the public library free of charge.

Membership in the library allows users to borrow any number of books and magazines for a period of three weeks at no charge. There is a small overdue fee charged for books kept longer. Books may be renewed for a further three week period too. The library provides a reserve service for books not on the shelf and a request service for books which the library does not have. If the library does not have a particular book, it will get it from another library on request at no cost to the borrower.

Scouts fertilizer sale

The 5th St. Albert Group Committee held their monthly meeting March 19 to finalize plans for the annual fertilizer drive for April 7, 1973.

The cubs and scouts are looking forward to the support of all town residents.

The Kinsmen turned this project over to the boys three years ago, and it now is their main fund raising drive as well as a project of service to the community.

Council Roundup

Bylaw 12/73 which deals with a franchise agreement between the town of St. Albert and Capital Cable TV Ltd. received first reading Monday night by a vote of 7 - 0. The motion was made by Councillor John Bakker. The next step now will be a public hearing held at the next meeting of council at 7:35 p.m. and terms of the bylaw advertised under a public notice.

Bylaw 13/73, drafted to cover a \$554 grant to the St. Albert Snowmobile Association was the subject of considerable discussion. Mayor Ray Gibbon explained to council that this bylaw, if ratified, would enable council to pay out a grant of \$554 to the Snowmobile Association, covering deficits incurred by the group

when memberships could no longer be sold to cover purchases made for signs, snowmobile registration numbers and other equipment.

Councillor Frank Lukay expressed sympathy for those members of the association who were out of pocket but expressed the opinion that memberships had been sold by a "fair-weather type of operation" . . . and therefore felt that executives of such organizations ought to beware and be prepared to take their losses. Councillor Lukay concluded by saying that "council did not make promises to the association and therefore the Snowmobile Association was not entitled to a grant."

Councillor John Bakker took up the discussion by saying that it appears anybody can start an organization and if they run into financial difficulties, simply appeal to council for help. Mayor Gibbon reminded his colleagues that when council approved bylaw 7/73 banning the Sturgeon for snowmobile use, that promptly halted the sale of memberships and thus left the snowmobile association in a precarious predicament which could leave three members of the executive stuck with a \$554 debt to cover.

At this point Councillor Rod Thronson said that he would support the motion to give bylaw 13/73 first read-

ing because he felt council had a moral obligation in this issue. Councillor Thronson, however, warned the association that they better continue functioning, continue with their safety program and show results.

When the question was called on first reading of bylaw 13/73 the count came out 5 - 2 in favor, with councillors Lukay and Bakker registering recorded opposition. The vote on the second reading was the same and the third reading was tabled.

heads St. Albert Liberals

The St. Albert Liberal Association at a meeting held March 12 at the Hole residence elected officers for 1973 as follows: President, Richard Wheatley; vice-president Jack Kemp; sec. treas. Mary Lou Vien; Directors - Tom Proctor, Jack McCrae, Tim Kemp, Shirley Geiger, Con Bourbonais, Rod Woodcock, Mary Lou Vien.

Delegates were chosen to represent one constituency at Provincial Convention to be held in Calgary, March 30 - 31, 1973.

Guest speaker was Robert Russell whose topic was the Sturgeon Valley Clean-up Project.

LETTERS

For Better Hockey Sticks

The Editor:

Surely in this technical era they can build a \$5 hockey stick that will last longer than one game. Blades crack at the top, split through the centre, shred along the bottom and virtually disintegrate! Is this the manufacturers plan?

Having discussed the fragility of hockey sticks with Consumers Association of Canada (488-2777), (Federal) Consumer and Corporate Affairs (425-5660), and (Alberta) Consumer Affairs Branch (229-3329); I have been told that there is no quality control standard on hockey sticks. Quality control standards are achieved by consumer complaints, and selective shopping. Having tried different brands and discovered that \$3.98 - \$5.25 sticks may

last one game. I urge parents to complain to the following companies:

Sherwood sticks are manufactured by Sherwood-Drolet Corporation, 2745 - 65 Prague St., Sherbrooke, Que.

Victoriaville sticks are manufactured by Mr. R. Hedgeson, 1569 Orange St. Winnipeg, 21, Manitoba.

Louisville Sluggers sticks are manufactured by Hillerick and Bradshy Co. Ltd., Wallaceburg, Ontario.

Canadian hockey sticks are manufactured by Canadian Hockey Sticks Manufacturers Incorporated, 267 Lemire, Drummondville, Quebec.

CCM sticks are manufactured by CCM, 1335 - 9th Ave. S.W. Calgary, Alta.

Pat Nease.

Day Care Program has guest speaker

Mr. Larry Dick, counsellor at Sir Alexander Mackenzie School, was guest lecturer Monday, March 19 to a small group of St. Albert High School students. These students are currently enrolled in a 15 hour three credit program at the St. Albert Day Care Centre. The course includes studying first aid, safety, program planning, child behavior and nutrition.

Mr. Dick's topic covered the social behavior of the two to five year old child. It included such aspects as:

*the child's awareness of right and wrong.

*his way of dealing with frustration.

*his trust in the world around him or lack of trust.

*family friction and its effect on the child.

*the role of mother, father and siblings in relationship to the child.

*special cases e.g. the withdrawn child, the hyperactive child, the overly aggressive child.

Emphasis was placed on the necessity for a positive one to one relationship with each individual child.

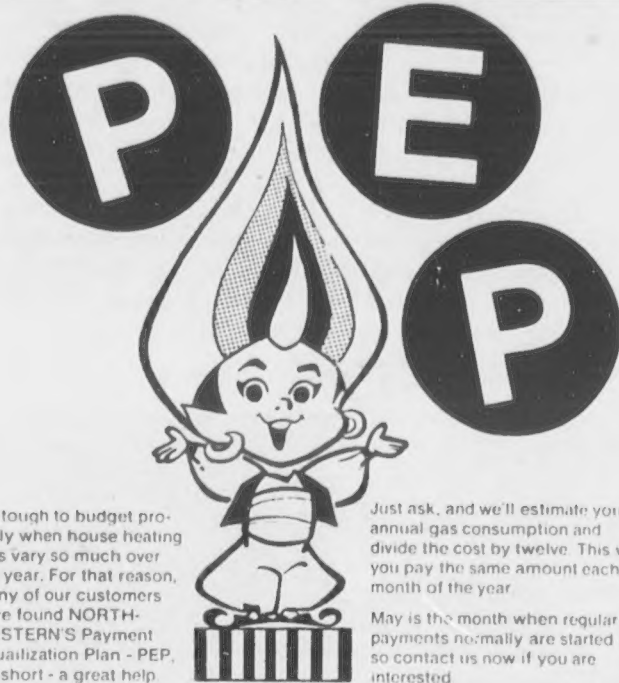

Senior Public Health Inspector Ken McAmmond of the Sturgeon Health Unit inspected the former nuisance grounds on Lakeview Drive this week and was able to contact three St. Albert residents who dumped refuse on that site. Mr. McAmmond told The Gazette that all three 'guilty' citizens agreed to remove the garbage they had illegally dumped there and promised to refrain from doing so in the future. Mr. McAmmond admits that citizens seem to have a tendency to dispose of refuse in this way and strongly suggests that they immediately stop doing so or face prosecution. The public health inspector also said that other citizens dump garbage along rural roadways or at other sites where it is forbidden to do so. Mr. McAmmond suggests that if citizens have cumbersome items to dispose of or an extra large volume of refuse to get rid of, simply call Town Hall and make arrangements for a pickup.

Ranger bakesale goes Saturday

First Ranger Company will hold a bake sale in Grandin Shoppers Mall, Saturday, March 24, from 9:30 a.m. till noon.

Proceeds from the sale will be added to the fund for the Ranger and Guide trip to Ten Sleep, Wyoming, in August.

It's tough to budget properly when house heating bills vary so much over the year. For that reason, many of our customers have found NORTHWESTERN'S Payment Equalization Plan - PEP, for short - a great help.

Just ask, and we'll estimate your annual gas consumption and divide the cost by twelve. This way you pay the same amount each month of the year. May is the month when regular payments normally are started - so contact us now if you are interested.

Blazers win Commercial crown

Comets lose Banff thriller - now out of Provincials

St. Albert Willowbrook Comets were knocked out of the intermediate A provincial playoffs Monday night, losing 4-3 to Banff. Banff won the opener 4-2 in the best of three series Saturday night in St. Albert.

Saturday night's game was not decided until midway through the final period when Banff scored two quick goals.

Ted Rogers had given the Comets a 1-0 lead with Henry Hodgson assisting at 6:14 of the second. Banff came back to tie the game at 11:10 and went ahead 2-1 at 11:30. Harvey Kirkland scored an unassisted goal with only 1:08 gone in the third period to tie the game.

Banff then put it out of reach with another two quick goals at 10:50 and 11:32.

The second game was supposed to have been played Sunday in Banff but the Bisons came up with the excuse they couldn't get ice and the Comets were forced to leave Monday afternoon for a game that night. A lot

of fans planning to go down Sunday were also disappointed.

Comets started out on the right track taking a 1-0 lead on Brian Stevens goal at 1:36 of the opening period. Rich Perrault assisted on the goal. Comets dominated the second period, scoring two of the three goals. Banff tied the game early in the period but Ted Rogers power play goal at 9:05 put them ahead 2-1. Doug Bell took a pass from Stevens at 16:02 to put the Comets ahead 3-1.

St. Albert had three or four other excellent chances to put the game away but couldn't put the puck in.

Banff scored early in the final period and tied the game midway through the period. Their winning goal was scored with just three minutes remaining. Comets pulled their goalie with a minute remaining and with two or three seconds to play coach Gary Checknita scored to tie the game.

The referee (from Calgary) however disallowed

the goal saying it had been scored after the regulation time.

Needless to say the Comets' argument didn't stand and what should have been a tie ended in a defeat.

Checknita felt his club could have gone all the way if the series had come back to St. Albert as Banff was badly outplayed except on the scoreboard. Comets out-shot Banff 44-18.

Comet fans shouldn't be disappointed however, as they have been seeing excellent senior hockey in the last few weeks.

Comets are now preparing for the semi-final league series with Westlock Eagles who hold a 1-0 lead in the best of five series.

The second game will be played in St. Albert Thursday night beginning at 8 p.m. The series then shifts to Westlock for the third game Sunday at 2 p.m. The fourth and fifth games are both in St. Albert on Wednesday at 8:30 p.m. and Friday at 8 p.m.

PETE VAN BRABANT
(winning goal)

The St. Albert Mens league playoffs went to the third game in the best of three series before Grandin Gulf Blazers won a 5-4 decision over St. Albert Rogers/Grandin Esso. Peter Van Brabant scored in the first minute of sudden death overtime while Father Joly was sitting out a tripping penalty.

A good crowd cheered both teams throughout the game which saw the score tied 2-2 after the first 20 minutes.

Terry Wispinski and Joe Laplante scored for Esso while Denis Limoges and Ken Leibel replied for Gulf. Bernie Levasseur scored the only goal of the second period to give Gulf a 3-2 lead. Gulf went ahead 4-2 early in the final period and appeared to be headed

for victory. Esso refused to fold and two quick goals by Danny Chugg and Fred Hoeber tied the score 4-4.

Just before regulation time expired, Jake Joly was penalized for tripping. After a short rest the two teams engaged in a 10 minute sudden death overtime period. Gulf took the puck into the Esso end and Pete Van Brabant beat goalie Pat Lockhart from close in. Both Lockhart and Gulf goalie Wilf Delaney made some outstanding saves.

Gulf won the opening game of the series 4-2, and Esso took the second 5-3.

Tom White of Edmonton Valve and Fitting presented Gulf captain Denis Limoges with the league trophy won last year by Calgary Power Kegs.

Social Event Will Launch Saints Season

St. Albert Willowbrook Saints baseball team will hold their annual beer fest Saturday, April 14 in the St. Albert Community Hall. Tickets for the popular event are now on sale at the St. Albert Sportshop or from any member of the baseball team. The event gets under way at 9 p.m.

For further information baseball fans can call Rudy Scheibelhofer at 459-7335. The proceeds from the

do will go towards helping the club participate in the tough Sunburst Baseball League. Saints were defeated in the league finals last year by the Camrose Cubs who became Alberta champs.

Coach Larry Murray will again run the team with Arnold Bailey assisting. Sponsor Rudy Scheibelhofer of Willowbrook Homes Ltd. continues as manager of the team. Most of last year's players are expected back.

LARRY MURRAY

Comet goalie Zane Jakubec was outstanding in goal for St. Albert even though they lost 4-2 and 4-3 to Banff Bisons in provincial intermediate A play. Jakubec handled many a shot as the one above that photographer Frank Smith caught in Saturday night's action.

Girls physical culture program

DEFENSIVE DRIVING:

A four-week course in defensive driving is scheduled to start on Monday, March 26 in St. Albert High School. The cost is \$8 for four two-hour sessions and registrations are now being taken at the Department of Recreation in the Town Hall.

PHYSICAL CULTURE:

The first class in physical culture for girls between the ages of 12 and 16 years will be held at 7 p.m. on Monday, March 26 in Club Grandin (NOT in the Village house as announced last week). The cost is \$4 for eight lessons and registrations will be taken on the first evening.

Physical culture was demonstrated in St. Albert some weeks ago by Mrs. Margaret Thompson and her students. Mrs. Thompson

came to Canada from Australia just over three years ago and since then has been responsible for the growing popularity of this particular form of exercise which is a wonderful way for girls to achieve muscle tone, coordination and good posture.

ARENA SKATING:

There will be no public skating in the arena on Sunday evening, March 25. Public skating is scheduled from 2 - 4 p.m. on Saturday afternoon.

CHILDREN'S GYM:

There is room for a few more children in the gym class for the 6 - 8 year olds which is being held on Saturdays in Leo Nickerson School from 1:30 - 2:15 p.m. The cost was \$3 for each child and there will be a slight adjustment for the lesson missed. Registra-

tions, along with fees, are being accepted at the Department of Recreation.

LOST AND FOUND:

Boxes of miscellaneous articles lost and found and articles lost and found at the rink shacks during the winter are now in the office of the recreation department in the town hall. If not claimed immediately, they will be disposed of.

SOFTBALL:

Registration for the girls softball program, sponsored by the Hercules Sports Association, will be Saturday,

March 31 and Saturday, April 7. More details will be announced next week.

BASEBALL:

Registrations will be accepted at St. George Simpson School, Grosvenor Blvd on Saturday, March 31 and Saturday, April 1, from 9 a.m. - 12 noon on each day. This program is once again being sponsored by the St. Albert Lions Club and the Knights of Columbus. They will be looking for coaches and umpires - keep it in mind!

Annual Meetings Slated For Month Of March

Three important annual meetings are scheduled for this week and the next. These include the Municipal District of Sturgeon, Saturday, March 24; Town of St. Albert, Monday, March 26 and the St. Albert Public School District No. 3 on Thursday, March 29.

In all cases, vital issues are expected to come up at these meetings held for the express purpose of giving the ratepayers an opportunity to discuss topics of interest with their elected representatives.

The annual meeting of the MD of Sturgeon will be held Saturday in the MD offices, the Town of St. Albert annual meeting, the first since 1971 will be held in the Community Hall at 8 p.m. Monday, March 26. The No. 3 School Board annual meeting is scheduled for 8 p.m. in St. Albert High School gymnasium.

Janet Dufnall and Annette Koedam rehearse a 'Mary Poppins' duet routine. They are members of the St. Albert Figure Skating Club who will be presenting two performances of the carnival 'Around the World in 80 Days' April 13 and 14.

'Unhooked'

The film "Unhooked" will be shown Sunday evening at St. Albert Evangelical Church at 7 p.m. This is a film for young people and for parents, dealing with the problems of drug use.

Those who have had to face drug problems head-on know what they can do to a young life. A grave danger in considering the whole situation of drug traffic is the attitude of people who see it happening only to someone else - never to me or any of mine. Ignorance of what is entailed in the whole area of drug abuse and the food's parades of "immunity" form a twin blindness that many are living in, according to the film sponsors.

To help one person concerned with the drug situation

develop a better and deeper understanding of it, the film "Unhooked" was produced. The Rev. Eugene Ophelm and a group of young people who have a personal and practical knowledge of drugs and their use will be present for the showing in St. Albert. The public is invited and the church is located across from town hall.

AROUND TOWN

Michael Mitchell of 33 Balmoral Drive won a pair of platform shoes from Royal Shoes when Ethel Ward of the Gazette staff drew his lucky ad coupon Tuesday at the store.

Mayor Art Stapleton officially opened the Frontiersman Hotel in Morinville, March 14. Ed Kryskow and Ray Gibeau watch the ribbon fall.

Lady Lions induct two new members

At the March 19 general meeting of St. Albert Lady Lions, two new members were inducted into the club. Nancy Wilson and Pat Pollars were welcomed and received their club pins from President Roberta Freethy. Sponsoring the new members were Cindy Ryley, and Marilyn Garlepy. Unfortunately Marilyn was unable to be present. We hear that she is recuperating nicely after a spell in hospital and look forward to seeing her back in the swing of things very soon. The nominating committee, Dixie Kimball, Cindy Ryley and Joyce McVrin, presented their new

slate of officers for consideration of the members. Voting will take place at the next general meeting, to be held April 9 at the home of Raymond Brunelle. Contact Judy Simpson at 459-5335 for directions. Next executive meeting will take place at the home of Cindy Ryley, 32 Geneva Crescent, on Monday, March 26th. Mr. T. Shandro of the Associated Canadian Travelers has kindly agreed to speak at this meeting and all members are invited to attend.

No. 3 School Board Set For Annual Meeting

In view of the many vital issues concerning ratepayers of the St. Albert Catholic School System, an annual meeting will be held in the St. Albert High School gymnasium Thursday, March 29 at 8 p.m.

The public is cordially

invited to attend, hear reports relating to last year's administration, review the 1972 financial report and discuss timely affairs relating to the present and future education of St. Albert students.

Around Town

St. Albert's most non-professional hockey team, the 'Toronados' is having a 'Hockey Fest' at St. Albert Community Hall Saturday night. The club members about 18 players ranging in age from 25 to 45 years, whose main purpose is to have fun playing hockey, while getting some healthy exercise. Backed by master goaltender Ev Morgan of the local RCMP detachment they even win a game now and then. Purpose of the Hockey Fest is to raise some funds for buying ice time next season. The Coun-

try Sound will be on the bandstand and it looks like a real fun evening.

At their meeting Thursday the Senior Citizens will see National Film Board films, to be shown by Dennis Macchney, the Youth worker presently working in St. Albert under a Local Initiative Program grant arranged by the Preventive Social Services board. The films will begin at 1:30, and draw for door prizes and luncheon will follow. All older people are welcome to come and enjoy the films.

Educational Opportunities Fund Aimed To Assist Needy Students

Education Minister Lou Hyndman last week announced details of the government's new Educational Opportunities Fund aimed at both upgrading the quality of elementary education, and providing a better deal for disadvantaged students.

The fund, budgeted at \$4.5 million will go into operation this September. \$4 million will go towards providing additional services to the province's 200,000 grade 1 - 6 pupils. "Upgrading grants" of \$20 per child per year, will be available to school districts whose proposals for extra services meet government guidelines. Approved proposals can be funded for three years.

The remaining \$500,000 of the Opportunities Fund is earmarked to provide new opportunities for the socially and culturally disadvantaged. Called "compensatory grants," this money will be available on a pro-

ject basis, not a per pupil basis, and classroom projects as well as school-wide and district-wide projects will be eligible. Co-operative projects between districts are possible as well.

The Educational Opportunities Fund grants as announced, will complement the Early Childhood Services pre-school grants announced previously. Total effect of the two new programs will be a new emphasis on comprehensive services for children, from infancy through grade six, and for their parents.

Describing the \$20 upgrading grants for elementary pupils, Mr. Hyndman said, "We intend to give the elementary school years the attention, recognition and resources they deserve."

Mr. Hyndman described the \$500,000 fund for compensatory education as "a

square deal" fund available to junior and senior high as well as elementary school pupils.

"Children who are surrounded by poverty or who live in isolated areas need a better educational deal. So do those who are trying to adapt to cultural and language differences. This fund is meant to give them a square deal."

School boards and other organizations are invited to submit proposals for integrated projects involving both elementary upgrading and compensatory education.

Parental and teaching staff support is seen as an essential element to all proposals under the Educational Opportunities Fund.

Sale of these bottles collected at the Legion Hall, plus proceeds from the 'Help the Eskimo kids' jug netted in excess of \$100 which the Legion turned over to Mrs. Evans at St. Alphonsus School. The jug collection goes on as the local branch lends a hand to help bring a group of Eskimo children from Cambridge Bay to Edmonton this summer.

PREVENTIVE SOCIAL SERVICES WHAT DO YOU THINK??

A committee has been appointed by the Council of the Town of St. Albert to make recommendations regarding Preventive Social Services. The committee would like to know what YOU think about:

- 1) The P.S.S. Bylaw
- 2) The relationship between the P.S.S. Board and Town.
- 3) The aims and objectives of the P.S.S. Board's programs.
- 4) Any other P.S.S. matters.

WRITTEN SUBMISSIONS - should be received by Monday, April 2.

VERBAL PRESENTATIONS - presentations of up to seven minutes will be heard on Thursday, Mar. 29, 1973 in Council Chambers.

CONTACT - Mr. R. B. BOWEN
Sec. Treas.
Town of St. Albert

Jim Roberts, CFRN's open line man will give members of the Sturgeon Toastmistress Club hints and a demonstration on microphone techniques, Monday, March 26. The special meeting and event will be held in the assembly area of Sir George Simpson school at 8 p.m. Anybody interested in this demonstration is welcome to attend. For more information phone Mrs. Terry Pratt 459-7611.

Donna Peterson In Toastmistress Contest

The Sturgeon Toastmistress Club held their annual speech contest at their regular meeting on February 28, 1973 at the Lecture Room in the library.

Competition was very keen as all the participants, Lorry Saunders, Donna Peterson, Iris Chodan, Marilyn Page and Doreen Robinson, gave good lively speeches.

One week prior to the contest the participants were given their subject and asked to speak five to eight minutes. The rules of the contest were adhered to stringently.

First runner-up was Doreen Robinson whose subject was 'Suggestion'. In the event that the winner of the contest is unable to attend the Regional Contest, Doreen will have to be ready to take her place.

Donna Peterson, the winner of the mini speech contest was again successful and won the contest. Her subject was Wisdom and she gave a very informative and inspired talk titled "The Reservoir of Wisdom." Donna will represent the Sturgeon Toastmistress Club and compete at the Regional Contest April 13 in Edmonton.

CENTRE FOR CARE OF MENTALLY HANDICAPPED

9835

Members of the St. Albert Supper Lions Club made a return visit to the Centre for the Care of the Mentally Handicapped for a formal presentation of medical equipment to the Centre. On their first visit the Lions donated eight wheelchairs, and discovered a need for walkers and a stretcher, which they delivered last Saturday. Left to right, Jim Murray, President Dick Ryley, CCMH Supervisor Sister Therese, Project coordinator Bob Prather, District Governor Rock Holman, George Simpson and Vern Rheault.

26 Cree Cubs take in weekend camp

Twenty-six Cubs of the 3rd St. Albert Cree Pack enjoyed a weekend camp at scenic Rundle's Mission on Pigeon Lake. Accompanying the boys were pack leaders Harold Kay, Doug Wilson and Bob Savage, ably assisted by Gordon Hutton and Ed Rusnak.

The group left Sir George Simpson School Saturday morning and travelled by car to the campsite. Accommodation was provided in the mission building which is located in beautiful surroundings overlooking the lake. Most of the activities took place outside, including snow-shoe hikes through the bush, toboggan runs down the hill below the mission and a soccer game on the lake. This game involved all 26 boys and five adults, and although it was not up to Hercules Association standards, it was a lot of fun and soon sorted out the men from the boys - the men were soon tired and gasping for breath!

Saturday evening, the boys

put on an impromptu concert in front of the big open fireplace inside the mission and provided a few surprises for the leaders, then most of the group left for a moonlight walk along the lake road.

Doug Wilson again acted as quartermaster and chief cook, a job well done, which helped to make the outing a success.

Three local dogs were "adopted" by the boys for the weekend and the animals were sorry to see the party leave for home Sunday afternoon.

Home Services directory

The St. Albert Help Society is interested in locating local women who are available for babysitting, housekeeping or house cleaning, and would like to hear from such women at 459-5159.

Each day the Help Society receives enquiries from families looking for household help, particularly parents needing live-in-sitters while they go on vacation. These families are not eligible for a homemaker from the Help Society, which handles only situations of family illness or stress. At present there is no business agency in town for household services and the

Help Society has decided to prepare a listing of women available for such assistance.

The directory will list names, phone number, type of work wanted, hours available and rates charged. The Help Society will pass the information on to prospective employers. No charge will be made to workers for listing their names or clients using the directory.

It is hoped that a needed service to residents will be provided in this manner and anyone wishing further information may telephone Dianne Proctor of the Help Society at 459-5159.

Patty Skovberg, a very pretty Grade 6 student at Sir George Simpson displayed quite a unique Science Fair exhibit last week. Miss Skovberg is shown above giving a demonstration of her photo-electric controller, better known as a burglar alarm to Lynn Thomas and Layne Wilson.

Club changes name - elects new officers

At their meeting last week the Single Parents Club decided to change their name to "Singles" Social Club. The new name will be more fitting since single people are welcome in the club whether or not they are parents. Originally the club started for people who had lost a husband or wife, but it has been expanded to include young unmarried people in town as well.

Elections were held and Elaine Supple is the new president, with Gloria Stacey serving as vice-president and Marguerite Erickson as treasurer. There was a discussion on fund raising possibilities to support the various kinds of social activities planned by the club.

About 25 people attended the recent Wine and Cheese party held at the Ridgewood

Terrace recreation centre, and reports indicate this was a thoroughly enjoyable evening, including dancing to records which members brought along.

The "Singles" meet on the second Wednesday of each month in the conference room at Sir George Simpson school, and the club extends an invitation to all interested residents to come and get acquainted any time. For information telephone 459-5470.

Breakfast Lions Ready For March 27 Elections

Breakfast Lions' nominating committee, comprising of John Kaminski, Ed Dunik, Eric Robinson and Stan Shottland tabled a slate of nominees for the 1973-74 executive. Additional nominations will be accepted at the March 27 meeting, when the new officers will be elected.

In the meantime, the present executive is laying the groundwork for another busy season. Next important date to keep open for all Lions and partners is the Zone Social which this year will be held in Gibbons, March 23 starting at 6 p.m. The

program includes cocktails, supper, dancing and a lot of fun for the first 200 guests who get in touch with Lion President Stan Shottland.

Projects are also being prepared for launching, not the least of which is the Annual Auction Sale. In charge of this one are Lions Ed Dunik and John Kaminski. The annual Bike-a-thon is also taking shape and this year it will be under the direction of Lions John Kaminski and Fr. Jake Joly. Last year, the sum of about \$3,000 was raised through these two projects alone and targets for this year have been set for \$6,000 plus, therefore, volunteers are urgently required.

Hobby time back at library

Once again the St. Albert Public Library will be offering its popular Saturday morning Hobby Time starting this Saturday, March 24. Local children are invited to come to the library from 10 a.m. to noon each Saturday to work on their hobbies, read up on their hobbies or meet others with similar -- or different -- hobbies.

Those planning to attend do not need to register and there is no charge. Hobbyists should, however, be sure to bring something to work on for the two hours. In past weeks hobbies represented have included rock collecting, drawing, hockey, model airplane building, puppetry, and cooking.

Come and bring your hobby every Saturday morning to the St. Albert Public Library!

There's a special satisfaction in puzzling out how to work any new gadget. Once you master the thing, you can understand the instructions that came with it.

P.S. Sorry For The Inconvenience Due To Our Fire

If you're in the market for a car loan, we'll throw in \$25 toward the plates.

That's right. We'll give you \$25 toward your licence plates when you take out a Termplan Personal Loan on a car at the Royal Bank. As long as you take out a loan for \$1,000 or more of new money and we approve your application by June 29th, you qualify for the \$25.

You also qualify if you take out a Termplan Loan for at least \$1,000, for any other reason.

Like a vacation, a boat or a travel trailer. If your application is approved by June 29th, we'll give you \$25. In cash. There are no strings, no catches and no change in interest rates. We know that there are many people in the market for money this spring, and we want to increase our share of the business. So you don't have to be a Royal Bank customer to take advantage of this offer.

See your Royal Bank Manager. He'll even arrange for a chequing account to take care of the loan repayments. And ask him about our Money Matters book. It's full of hints on budgeting and financing for a family. It's yours free when you come to the Royal Bank.

Do something nice for yourself...

No. 3 S.D. Continues With New School Negotiations

Negotiations are continuing between St. Albert's Public School District No. 3 and the Alberta School Buildings Board for a new junior high and elementary school which, hopefully, will be built for the 1974-75 school term.

The No. 3 Board has been negotiating with the School Buildings Board for many months now and has also submitted its certificate of need with substantiating data for the construction of a new 24-room facility. There's no doubt, according to the school board's prospectus that a new facility is indeed required to accommodate the system's present and projected enrolment. However, the School Buildings Board seems to have misgivings about St. Albert's needs.

"We probably could obtain a building permit for a small school right now," Superintendent Vince Maloney said, "but we don't want to build minimum facilities at this time for several reasons. We must plan now for at least a 24-room junior and elementary school because that is what we need," he explained.

Mr. Maloney further qualified the school board's position by saying that with the construction of a 24-room facility, designed for junior high and elementary grades, that would establish the school's location and allow the board to redesignate the proper use of the existing Father Jan School back to an elementary school. The superintendent told The Gazette that the location of schools is primarily determined well in advance. That

way, Mr. Maloney explained, we can thus pick a school site, build the school as required and thus assemble elementary, junior high and high school facilities in harmony with the needs of the town.

"At the moment," Mr.

Maloney said, "we're embroiled in a real dilemma. We have several sites picked out but we still don't know what kind of school the School Buildings Board will allow us to build, therefore, we can't say yet what we're going to build, where we're

going to build it or even when we'll start building," said the superintendent.

At the No. 3 System's four schools, this year's enrolment is 89 per cent of capacity. This clearly indicates that every school room in the system is at or near

maximum utilization. In view of last year's school population growth of 11 per cent and next year's projected growth of between 12 and 15 per cent, a new 24 room school is desperately needed.

Negotiations are continu-

ing, the entire school board again met with the School Buildings Board last week and more meetings are being planned for the near future. Mr. Maloney concluded by saying that the question will be pursued until the question is resolved.

Phone 229-3582 to learn about being a Foster Parent

2500 Alberta children are waiting for your call

Think you could share your family with a lonely youngster? Be a Foster Parent. There are some 2,500 Alberta children right now who desperately need the kind of affection and concern that only good Foster Parents can provide. Most of them are teenagers, grown almost to adulthood without the benefit of parental care. All are in need of a special kind of patience and understanding.

If you think you can help by sharing your family, please give us a call. We offer no material rewards other than an allowance for the child's board, clothing, health care and tuition. There are very few restrictions as to your age, sex or lifestyle. The main thing is that you should care. If you're the kind of Foster Parent we hope you are, you'll know that the true reward is in making a friend for life.

Our Half Acre

A PAGE DESIGNED TO INFORM FARM READERS ON CURRENT AGRICULTURAL NEWS AND EVENTS AND TO SERVE AS A FORUM FOR EXPRESSION OF FARMERS' OPINIONS

Low Acid Rape Varieties Licensed

Two new low erucic acid rapeseed varieties have been licensed this year. They are Torch, a Polish type variety, and Midas, an Argentine variety.

According to Dr. Z. Kondra of the University of Alberta's Plant Science Department, Torch, which was developed at the Canada department of agriculture's research station in Saskatoon, is similar to Span in all agronomic characteristics, but has a slightly higher oil and protein content. In southern areas of Alberta it shows a considerable yield advantage over Span, but Span appears to out-perform it in the central and northern regions of the province.

Rapeseed Herbicide

A meeting will be held in Morinville on April 10 at 8 p.m. at the Legion Hall with regard to the use of TREFLAN, Treftan is a pre-emergence herbicide. Everybody is welcome.

In the past there have been complaints from some producers about the poor performance of Span, but this year its performance has equalled that of the old Polish-type variety, Echo, in all regions where these two varieties were tested. Dr. Kondra says. He stresses that growers should not switch back to Echo because it is almost certain that Japan will be buying only low erucic acid rapeseed varieties in the 1973-74 crop year. If this is the case, there will be no quota on normal erucic acid type rapeseed, and these varieties should be grown only under contract.

The new Argentine type variety, Midas, also developed at the Canada department of agriculture's research station in Saskatoon, is intended to replace Zephyr. It is significantly higher yielding and earlier in maturity than Zephyr, Dr. Kondra says, and very much shorter in the straw.

Its oil content is also higher than that of Zephyr. Its protein content is about the same.

Torch seed stocks for multiplication by seed growers are adequate for 1973. Next year there will be ample stocks of all classes including certified seed.

No foundation seed is being distributed this year because it is already in the hands of growers. However, approximately 60,000 lbs. of certified seed (48 per cent of the total for the prairie provinces) will be distributed under contract to commercial growers by Western Canadian Seed Processors Ltd., Lethbridge. This company should be contacted for information regarding distribution of certified seed for production of erucic stocks.

There are also adequate seed stocks of Midas for multiplication by seed growers this year, and there will be ample stocks for all growers, including com-

mmercial growers, in 1974. Foundation seed is being distributed through the provincial seed distribution committee. Those who are eligible will be notified by the Canadian Seed Growers Association. There will be no distribution of certified seed of Midas in Alberta.

DES Sales Now Illegal

Re-issued by W. O. Klatt, District Agriculturist.

The sale of DES as a growth promoting drug for livestock became illegal in Canada on January 1, 1973. The decision to withdraw DES for this purpose was made last year by the federal government after it had carefully examined all available information and consulted with a committee of medical experts.

The supervisor of the Alberta department of agriculture's feeder associa-

tions, Ken Davies, foresees certain problems arising in the immediate future. They include such things as feeders unknowingly buying implanted cattle. According to Mr. Davies, if any residues are found when officials of the health protection branch of the department of national health and welfare start checking, every effort will be made to trace their origin, and to establish whether the feeder was a victim of circumstances or whether he was negligent. So far there has been no official

directorate stating whether regular checking for DES residues will commence. It could start immediately or in six months time.

If negligence is proved, the feeder or feedlot operator could be fined up to \$500, receive a three-month jail sentence or both for a first offence. If he is found to have been more than negligent, he could be liable for a \$5,000 fine or a three-year jail sentence. Although it is not anticipated that these measures will have to be used, they are there to enforce the regulations that were drawn up to safeguard the health of the public.

Mr. Davies says there are three alternatives to using DES. One is to feed the males as bulls. A second is to use Synovex-S and the third is to use Raigro. Raigro is a growth stimulating compound made from corn mold which is now registered in the United States and expected to be available in Canada early this year.

Research workers at Mel-fort, Saskatchewan, compared the gains obtained from feeding DES, Synovex S, and Raigro to 600-pound Charolais-Angus steers. Results were 3.4 pounds per day for DES; 3.2 pounds per day for Raigro and 3.14 pounds per day for Synovex S. The gain for untreated animals was 2.7 pounds per day. Costs per animal were about 35¢ for DES; approximately 75¢ for Synovex S and in the neighborhood for \$1.50 for Raigro.

Silage Gas Is Dangerous

Re-issued from the D.A.'s office.

The director of the Alberta silo and feed testing laboratory, Don Lavery, advises farmers with vertical silos to be careful not to inhale silage gas.

He believes that this gas could be more of a threat than usual this year. Last summer's unusually cool, wet weather may have caused an accumulation of nitrates in the leaves and stalks of some of the crops cut for silage. When the ensiled material is high in nitrates, nitric and nitrous oxides, commonly referred to as silage gas, begin to form a few hours after the material has been put into the silo.

If inhaled, these gases can cause serious injury and even death. They are usually colorless and odorless, but turn yellowish or yellowish-brown when they mix with air. Since they are heavier than air, they collect on top of the silage. Running the silo blower merely agitates the air; it does not eliminate the potential threat.

Mr. Lavery recommends that the following safety precautions be observed with vertical silos, regardless of whether or not the feed is suspected of having a high nitrate content.

*Use an oxygen supply mask when opening the doors of the silo at the silage

level.

*Never enter the silo if you notice a sharp irritating odor or a yellowish brown gas. If silage gas appears to be present, post a warning note on the silo or in the feed room.

*Never enter the silo alone. Have another person present in case of an accident.

*Contact a doctor immediately if you have been exposed to silage gas.

Typical symptoms of exposure are irritation of the nose and throat and sneezing. Partial paralysis and death can result if exposure is severe.

Since it is not possible to predict whether nitrates are in the ensiled material, always take these precautions and play it safe!

Farm Accounting

By Wally Klatt, District Agriculturist.

This course is intended as a follow-up to the course "Introduction to Farm Accounting by Correspondence" that has been offered by this College for the past two years. This course is divided into three main sections:

1. The first portion deals with more complicated procedures for accounting the farm business, with special emphasis on enterprise analysis.

2. The second portion is intended to give the student knowledge on Income Tax procedures as they apply to farmers generally. This brief survey of Income Tax will not eliminate the need for competent advice by accountants or lawyers. As it will point out the facts

and figures that are necessary for tax filing and assessment protection.

3. The third portion deals with estate planning. Here again this should be considered as a survey of the topic; competent advice should still be sought.

Applicants are strongly advised to complete the introductory Course before applying for the advanced course, unless they have some accounting experience or training.

The course consists of 15 lessons of which the first five deal with accounting problems, nine on income tax and one on estate planning.

Further information can be obtained by writing to the Olds College, Division of Continuing Education, Olds, Alberta.

Good Resolutions Food Basket

Issued From Canada Department of Agriculture, Food Advisory Services.

Last year, you made all sorts of good resolutions - to accompany your husband to snowmobile races in below-zero weather, to stop smoking and lose weight. What happened? You gave them all up after you caught a cold that kept you in bed for three days, and gained weight because you nibbled to replace the cigarettes. This year, why not make a resolution to improve your food shopping habits.

As difficult as it may seem to beat the rising cost of all consumer goods, it is possible to help the budget with a little bit of planning and perseverance. The home economists at Agriculture Canada, have put their ideas and personal homemaking experiences together to assist you in your food shopping.

Most of the planning has to be done before you actually get to the supermarket. It is almost impossible to control a food budget without making some kind of a plan for your

meals for the week. Check your shelves, your refrigerator and your freezer. Build your menus around what you already have on hand. Don't forget the leftovers and the perishable foods. Throwing out food is hard on the pocket book. Buying food that doesn't meet your family's preferences and tastes is always a waste of time and money. Study Canada's Food Guide. Always include in your meals foods from the basic five groups - meat, fish and poultry (or eggs and cheese), fruit, vegetables, milk, bread and cereals. Make a special effort to reduce the amount of low-nutritive, high-calorie foods on your shopping list. They do little for your health and nothing at all for your budget.

One good rule to follow in preparing your shopping list is to go through the newspaper ads and check the "specials". Although shopping around from store to store might save you a few cents here and there, in the long run it is best to stick to your favorite store

For Your

and get to know it well.

Try to shop in an organized fashion and exercise caution in filling your food basket. As you go down the aisles systematically, note the location of certain foods. Knowing your way around a store is the best method of saving time and possibly money. If you have to look in every aisle to find what you want, your attention will be caught by other things, often resulting in impulse buying.

Before you pick up any food product, be sure to check the label. Read it carefully to find out the name and description of the product, the name and address of the packer or distributor, the brand name, the grade mark (e.g. Canada Choice canned tomatoes or Canada No. 1 potatoes), the net weight or volume, and a list of ingredients in descending order of their proportions in the product. Note other information on the label such as storage instructions, direction and recipes for use, number of servings and expiry date for using the product. If unit pricing is available, use it. Otherwise, compare prices by dividing the quantity (usually in ounces) into the price, to get the price per ounce of the product. To help you in your comparison shopping, why not order a handy pocket size "Consumer's Cost Calculator" available for 75¢ from Information Canada, Ottawa, K1A 0S9.

When you come across "specials," check the price of the same food item in its regular location and make sure that the "special" really is one. Then if you have plenty of storage space, take advantage of it.

Publications

The following are available from this office. Indicate the ones you require by a check mark and mail the clipping to the Department of Agriculture, Box 510, Morinville, T0G 1P0.

SAT, APRIL 7 - Variety Night in the Gibbons Community Hall.

Calahoo News

By Liz McLeod

This community extends its deepest sympathies to the family of Mr. Bill Parker, who passed away on March 8 after a lengthy illness. Mr. Parker home-stayed in the Heatherdown district of Onoway and his funeral service was held in the United Church in Heatherdown on March 12 at 1 p.m.

One daughter, Ella and husband Casey Blanchard are Camilla school bus drivers and another daughter Emma and husband Jack Dalheim live in Spruce Grove. Our thoughts are with them and their families.

Its amazing how so few

people know where Calahoo is. At Fort Nelson the Scorpions and fans got a bang out of some of the questions asked and most people never heard of the place.

It looks like the next step will be having to build a cabinet in the Gazebo to house these beautiful trophies both of team supremacy and individual scoring awards.

AROUND STURGEON

Wrestling coaches from Morinville and Riviere Qui Barre had one of the largest contingents at the Northern Alberta Bantam Wrestling Championships held Saturday in Edmonton.

CARD OF THANKS

We wish to express our thanks and appreciation to our friends and relatives for the acts of kindness, messages of sympathy and masses in the recent loss of our husband and father, Maurice Verstraete and a special thanks to the ladies who helped with the luncheon at the funeral.

Mrs. Mary Verstraete and family.

Horsehill girls learn new crafts

Enthusiastic school girls in Horsehills have been busy creating purses, belts and other personal accessories in soft leather and macrame. One session of classes has been completed and another course has just begun in this popular craft.

Soft leather is obtained from leather supply houses either by the complete hide or in small pieces. There is little waste when working with leather. Small pieces can be glued, macramed or crocheted together to make handsome purses and vests and even the tiny pieces of scrap leather are not wasted. They can be cut into triangular shapes and rolled into beads or used in macrame or weaving.

Girls who were working on macrame were making owl wall hangings to hang on their bedroom walls and purses and belts. One of the features of the coming bazaar at Horsehills will be these attractive macrame owls.

Instructors are Mrs. Kay Gogeria and Mrs. Peggy

VIMY

By Jeanne Laplante

A family gathering was held at the home of Mr. and Mrs. Amedee Gagne on the occasion of the visit of their daughter and son-in-law, Mr. and Mrs. Melvin Magnusson from Fairview.

Visiting with relatives and friends in Montreal is J. M. Gervais.

The Vimy peewees emerged victorious in their play-offs in the Sturgeon Minor Hockey. Congratulations to the team and management, Claude Huot coach and Ric Landry manager upon their fine sportsmanship.

Miss Agnes Pelletier was feted at a miscellaneous shower in the community centre on Sunday with some 150 ladies present. The bride-to-be received many beautiful gifts which were presented to her prior to the tasty lunch. Miss Pelletier is the bride-elect of Raymond Rivard.

Speedy recovery wishes are extended to Mrs. Maggie Blanchette and Mr. Philip Shank.

The Laplante residence was the scene of a bridal shower in honor of Miss Louise Landry. A large number of ladies attended to present Louise with many lovely gifts and very best wishes.

Weekend visitors in Peace River were Mr. and Mrs. P. E. Huot and family.

ATTENTION HOG PRODUCERS

Legal Mourns Georges Leduc 81

By Lucienne Montpetit

A resident of Legal for almost 54 years, one of its best known citizens Georges Leduc passed away suddenly on March 12, 1973 at the age of 81 years (less two weeks).

Born March 26, 1892 in St. Casimir, Portneuf County, Quebec, Mr. Leduc worked as a lumberman, farmer and butcher until he moved west during the great land

development period in 1919.

He worked in Legal all his life and owned a farm 3 1/2 miles south of Legal before moving into the village where he worked as church caretaker for 15 years, retiring in 1967.

Mr. Leduc is a descendant of an ancient pioneer family. His ancestors arrived from Normandy in 1666.

He married Estelle Mercier of Legal who predeceased him in 1925. In 1928 he married the late Pauline LeGrosley of Blanc Sablon, Quebec, who died in 1961.

In 1966 he married Mrs. Titi Perreault and the happy couple lived thereafter at the Chateau Sturgeon.

Long active in many spheres of activity Mr. Leduc was a member of the church choir for several decades. He was a hard working and conscientious

Jack-of-all trades. The deceased was one of the most devoted workers in the construction of the Citadel Park. Under the pressure of his boss (Father George Primeau, pastor . . .) he was kept on the go from morning till night with endless jobs lined up for him

from wheeling cement to carpentry, painter, grave digger etc. Name it and he did it with a smile. He was very proud of the part he played in the building of the Citadel Park.

He leaves to mourn his loss his wife at the Chateau, three daughters, Mrs. H. (Victoria) Gauthier, St. Albert; Mrs. P. (Annette) Prefontaine, Legal; Miss George

Georgette of New Westminster, B.C., one son Jean-Paul of Montreal, P.Q., nine grandchildren; four sisters and three brothers all of Quebec.

The funeral mass was celebrated by Father R. Bissonnette, Father G. H. Primeau and Father R. Simard. Pallbearers were

Philippe and Paul Prefontaine, Jean-Paul Leduc, Leo Mercier, Henri Gauthier and Mr. L'Hirondelle.

Burial took place in the local cemetery. The Leduc family wish to thank everyone for their kindness and expressions of sympathy during their recent bereavement.

Winter Wonderland draws large crowd to Morinville arena

By Fio McInnis

Winter Wonderland was a "Carnival Great" on Sunday, March 11, thanks to everyone who turned out and the co-operation of the weatherman.

The jam packed arenas were beautifully decorated with trees, snowmen, Santas, Christmas trees and storybook pictures. The huge backdrop in Lions colours sported hundreds of snowflakes, completing the whole Winter Wonderland theme.

Constables George W. Mallet and Allen Evans marched onto the ice in their red serge leading the Morinville Drum and Bugle Band under the direction of Miss Rosella Podgurny, and complete with "The Shakers" (cheerleaders), entertained the audience with several of their fine selections.

The Morinville figure skaters made an impressive display in their purple and gold uniforms (Lions colors) as they came out in formation and stood guard while the Queen contestants were introduced.

Miss Janice Van Brabant was crowned 1972-73 Ice Carnival Queen by Miss Kelly Johnson, the 1972 queen. Little Karen Ramer, Ellen Rogers, and Raymond Meunier skated out with the gifts for Janice and the other contestants. Gifts were presented by Leonore Gibeault, Lions Club president.

and Janice Van Brabant the new queen presented Mrs. Sullivan with a bouquet of roses on behalf of the Morinville Lions Figure Skating Club.

MRS. MARG SULLIVAN
Instructor for Morinville
Lions Figure Skating Club

Sharon Sullivan (the instructor's daughter) is to be commended for graciously giving her time to teach the older girls their dance routines on Saturday mornings during the season.

Morinville can be well proud of two local girls, Merit Carlson and Donna Fay Borle who freely gave their time and energy to teach the little beginners. It was a job well done as born out by the performances on Sunday. Merit and

Donna Fay completed their Gold Medal last year.

The Morinville Lions Figure Skating Club on behalf of everyone at the carnival would like to extend thanks to Constables Mallet and Evans, of the Morinville RCMP detachment, for providing the guard of honour at the opening of Winter Wonderland. 1973 marks the 100 anniversary of the RCMP force. Realizing that being society's protectors, is difficult task which is not always

pleasant or safe, the Figure Skating Club congratulates the entire force and wish them only the best in their work.

Thanks also go out to the Morinville Drum and Bugle Band for another fine performance.

The executive have asked me to express their thanks to the mothers who helped with the children's costumes and to all the men who helped in any way to make Winter Wonderland such a success.

Golden Age Club has Irish Party

By Liz McLeod

What could be more appropriate to give one a lift than gathering together for a social afternoon, as the Golden Age Club of Calahoo did, on March 14, to enjoy each other playing shuffleboard, cards, bingo and the like.

Twenty-nine neighbors and friends, all decked out with the wearin' of the green, for St. Patrick's Day with flowers, shamrocks and ribbons were a pretty sight. Cecile was the belle of the ball, when John Thatcher played his violin and sang Irish songs, followed by good toe-tapping dance tunes that got near everyone onto the floor for waltzes, two steps and a good old square.

Laurent Coulombe dropped in for a brief visit also. The cake and cookies were fitting to the occasion and while all were seated the club acknowledged, with many thanks, the cheque from The New Horizons program. A list of supplies, as a guide, was received from Laurent.

The club missed the Boddez, Labonte and Groppe's. Hector and Laura were visiting their daughter in Whitecourt and Mrs. Labonte was on the sick list. Do hope your better soon Madeline.

The next meeting will be held in the Gazebo on Wednesday, March 28 at 1 p.m. and visitors are most welcome.

Report From Bon Accord

By Sadie Allen

A capacity crowd turned out for the annual meeting of the Village of Bon Accord which was held on March 12. Chairman for the meeting was Mr. Nick Abramski. A report on emergency measures and pest control was presented by Mr. Bill Reynolds. Mr. J. P. Pasenko presented a report on the Sturgeon Foundation. A good deal of research has been carried out by members of the committee for fire protection, namely Messrs. Bjerke, Fearney and Mansfield. A most pertinent fact is that adequate fire protection could reduce fire insurance premiums by 40 per cent. Recreation facilities and financing were discussed. All in all it was a most interesting and informative meeting.

The shower for Connie Mulligan previously slated for the BACC clubroom will now be held at the home of Thelma Everitt on Sunday, March 25, time 8 o'clock.

A general meeting for all interested parents of play-school age children, i.e. four by Feb. 28, 1974, will be held on April 9 at 8 p.m. in the community centre clubroom. Children may be registered at this meeting. Size of classes is limited and registration is on a first come, first served basis.

A workshop for mothers of pre-school children will be held at 8:30 p.m. on March 25 at the community centre. For further information call Marg. Everitt, 298-2209.

There are still a few baseball uniforms out. As preliminary meetings are already being held for the re-organization of baseball leagues for our area it is

important that uniforms be turned in now. Please cooperate.

The Bon Accord Play-school will hold a pot luck supper and concert on April 13. The supper is on at 6 p.m. for parents and family of play-school children and the concert is open to all who wish to attend. Final date for play-school will be Tuesday, April 17 rather than Wednesday, April 18.

REMEMBER the annual meeting of the shareholders of Bon Accord Mutual Telephone company is at 10 a.m. on Saturday, March 24. The brownie and guide camp tea (proceeds are to send the guide to camp) is also on Saturday, March 24 in the afternoon.

A teen dance will be held in the Bon Accord Community Centre on Saturday, March 24 from 9:30 to 1. Music by Andromeda.

Welcome back to Mr. and Mrs. John Bland and Mrs. Gerrie Bland who have returned from holidaying at Niland, California.

Planning some activity that requires the facilities of the community centre? Please check for bookings with Doreen Hewitt before final plans are made. The community centre board would also appreciate knowing when functions are being cancelled.

For those who took the St. Johns First Aid course final words of the instructor were that only 20 per cent would ever use their course. Doreen Boyse had occasion on Saturday, March 10 to make good use of her recent training. Being one of the first to arrive at the scene of a two-car collision west of Bon Accord, Doreen credits the course with giving her the confidence to get involved and the knowledge to deal with emergencies in order of their importance.

A rummage sale will be held at a later date so hang on to all those articles you are anxious to get rid of. Worn-out cotton articles such as old sheets, chenille bedspreads bring a good

price as rags, so save them too.

Don Bland and Albert Hewitt attended a meeting of the minor baseball executive at the home of Don Spence on March 13. Tentative starting date for the league is May 8, with games scheduled for Tuesdays and Fridays.

Guest speaker Mrs. Wanda Telatrak will speak at a public meeting in the community hall on Wednesday evening, March 28, on the topic of 'Natural Foods.' The time is 8:30 and the meeting is open to all interested residents of the village and district. For further information phone Mrs. Dee Knobbe at 296-5568.

Sturgeon M.D. Studying One-Phone Exchange

Council of the MD of Sturgeon has been doing a lot of leg-work in the hope of having the Provincial Government consider installing one telephone exchange to serve the Municipal District of Sturgeon residents. A petition was circulated throughout the municipality recently and returns from Morinville, Legal, Bon Accord and other important centres within the MD indicate that ratepayers favor the one-exchange proposal.

The petition reads as follows: "We the undersigned, residents within the Municipal District of Sturgeon #90 and close proximity to the City of Edmonton, do request the Provincial Government to

By Norma Crozier

Namoo Play-school children have recently made three field trips. They toured the Provincial Museum and viewed the Indian Exhibits. They visited the Planetarium and the last tour was of the Sturgeon General Hospital. Mothers of the children would like to thank Mr. Keyes and the staff of the hospital for the kind reception and informative tour and hospital orientation given the children.

Namoo UCV ladies will host a shower in the community hall on Wednesday evening, March 28 in honor of Connie Mulligan who will be married to Douglas Crozier on Saturday, April 7 at 7 p.m. in Namoo United Church. Connie is the daughter

of Mr. and Mrs. Earl Mulligan of Bon Accord and Douglas is the son of Mr. and Mrs. Reg Crozier of Namoo.

Welcome home to Mr. and Mrs. Lee Potter and Mr. and Mrs. Hugh Crozier who have been holidaying in Hawaii.

Mr. and Mrs. Jack McLaughlin have returned home from a trip to Vancouver to visit their daughter, Audrey and her husband, and Calgary visiting son Bob and his family.

Spring baseball and soccer leagues are being organized. Boys interested in playing soccer, to be played at Lancaster Park, must be ages 6 - 18 years. The registration fee is \$7 a boy. A girls and ladies softball team is being organized and

a boys baseball team. Anyone interested in any of these activities please contact Mr. Leo Huber at 799-3849.

Many district ladies participated in the Griesbach Ladies Bospiel held March 16 - 18. The Arlene Crozier rink were the only ones to get a prize with Babe Davis at third, Dorothy Stanton second and Betty Samis lead.

Miss Pamela Crozier, oldest daughter of Mr. and Mrs. Chester Crozier and Arla Brimacombe, daughter of Mr. and Mrs. Art Brimacombe have left for a six month tour of Europe.

Beauty contest winner: "I'd sure be happy if they would put my face on dollar bills." Boy friend: "I'd be happy if they'd let me put my hands on some."

LEGAL LOCALS

By Lucienne Montpetit

A and R Construction of Legal-Edmonton, have taken the contract to renovate the Legal Hotel. Renovations started last week in the restaurant, also in the expansion of the bar, a lounge will be an added feature to make it more pleasant and a better place to relax.

Mr. and Mrs. Raoul St. Jean are happy to announce the engagement of their daughter Rachelle to Vern Domsy, son of Mr. and Mrs. Andrew Domsy from Redwater.

Mr. and Mrs. Gordon Carlson's baby daughter Christina Colette was baptized on Sunday. The happy godparents are Mr. and Mrs. Roland Blodeau.

A warm and hearty welcome to Mr. and Mrs. Raymond Ouellette and family who moved in their new home last weekend also to Mr. and Mrs. Jim Borduzak who have purchased the house owned by Northwestern Utilities.

Annual meeting of the Legal School District on March 26 at the Legal School - 8 p.m.

Expressions of sympathy to Mr. Gus de Champlain who is mourning the loss of his brother Andre who passed away in Vancouver at the age of 65 years.

Some 200 friends and relatives gathered at the Community Hall last Saturday for a social evening in honor of Raymond Rivard and Agnes Pelletier. The couple will be married on April 7.

Everyone is invited to attend a cash bingo on Sunday, March 25 at 8 p.m. at the Community Hall.

Come and help solve those landscaping and tree trimming problems on March 27 at 7:30 p.m. when Wally Klatt will be guest speaker at the Rec. Centre. He will be glad to answer all your questions.

At the Fete au Village meeting last week the chairman Leon Brisson gave a report of the responsible people for the various jobs. He also reported that the Board agreed to sell tickets on a \$1,000 gold brick. The raffle tickets will be available at Jule Larose's next week and you can start selling them immediately. The person selling the most tickets will receive a \$50 prize. Anyone wishing to help at our annual celebration could phone Leon Brisson 598-3745 or Jule Larose

598-3621. We hope that community spirit will reign again and that Fete au Village will be bigger and better in 1973.

The French Variety Concert (Festival de Chansons Francaises) was very well received by a packed gymnasium of parents and students. Raymond Tremblay was master of ceremonies. A variety of french songs and poems were very well rendered by the oral and advanced french students. The evening came to a close with a very special number sung by the high school students in appreciation to Mrs. Paul Chauvet for the services rendered on the staff. Danny Prefontaine presented her with a lovely bouquet of roses. Congratulations to all the pupils who participated and special congratulations to all the pupils who are making a special effort to learn a second language and to the parents who encouraged them by attending in such a great number.

Legal School has launched its Peace and Development program for lent. The high school have organized a spaghetti dinner for Friday while the grades 7 and 8 are planning a soup day. The elementary grades are also organizing some projects. All the students are very enthusiastic and it is hoped that the parents will give their whole hearted support to these projects.

The Legal oldtimers defeated the Morinville oldtimers by a score of 9-2 on Sunday night at the Morinville Arena.

The annual hockey player's banquet and social evening will be held on March 24 at the Community Hall.

There are a number of brownies who have not yet acquired the brownie page in the February issue (Susie treats the pack to Peanut Butter Brownies). It would be greatly appreciated if you could forward this page to Mrs. Bruno Chamberland, Legal.

Many thanks to those who have already submitted their pages to help the brownies with their project.

AROUND STURGEON

Main street in Morinville was as busy as Jasper avenue from Wednesday through Saturday last week, and just as hard to find a parking spot, as visitors from throughout the area came to see the New Frontiersman Hotel and congratulate Alvie Bokenfohr, Ed Kryskow and Ray Gibeau on the opening of this fine new facility.

Roger Borube (left) received the "Ed Berube Memorial Trophy" as the most valuable Scorpion player this season. Brother Hector is all smiles with Roger's achievement.

New St. John Division has many specialists

It was announced this week that the St. John Ambulance Division has at last got off the ground. Nigel Mansfield advises that registration of the division with "The Priory of Canada of the Most Venerable Order of the Hospital of St. John of Jerusalem" is now taking place.

The aims of the division are as follows:

The members of the division and the division as a whole will voluntarily give their services:

- *whenever, wherever, and however their skill may be needed be it at sporting events and occasions when crowds congregate, on the roads, or in the home;

- *be ready at times of national or local disasters such as floods, fires, or major accidents;

- *be trained in the latest methods of first-aid and rescue procedures.

The people of Bon Accord and indeed of the whole of the MD of Sturgeon are extremely lucky in the fact that the new division has amongst its members many trained specialists in various fields that can be used to benefit the people of this area. We have members in the nursing profession,

para-rescue and application of emergency first-aid, a licensed scuba diver's team efficient in underwater recovery and rescue, instructors in first-aid and electronics and many more. All these skills when combined with team work will lead to an extremely effective unit.

As with most voluntary organizations we are going to need money to purchase equipment and supplies. Where this financial assistance will come from we shall have to wait and see. The main thing to remember is that this division exists for the use and protection of the public. We will have a 24 hour call-out service to help with any situation that may arise. Finished details of this will be announced at a later date. Until this time anyone in need of assistance can get help from anyone of the members.

The division is headed by Nigel Mansfield as Divisional superintendent; Tom Brown as divisional officer; Senior Nursing Officer Jim Macdonald of Gibbons, seconded by Doreen Boyse and Ruby Lampkin; Divisional Secretary-Treasurer Linda Fearnley; and Duty NCO Mabel Veran. As of March 18, 1973 this division had a total

In view of the serious losses being incurred by farmers in many areas of Alberta through cattle rustling, the Uniform meeting on Monday at Patricia United Church is expected to draw a large crowd. Cpl. V. Wingerter, cattle investigator with K Division of the RCMP will be the speaker and the meeting is sponsored jointly by the Horsehill and Notre Dame locals.

It is to be hoped that sportsmen in Legal are remembering that they should (for the next few weeks anyway) bow when they meet Pete Montpetit "Biggest Fish" winner in the Fish and Game competition.

Elizabeth Stinson of Bon Accord captured first in the class at the Alberta Youth Achievement Fair, held in conjunction with the Calgary Seed Fair in Calgary early this month. Elizabeth, a member of the Alcomdale 4H Club won with Victory oats. Pat Ferby of Bon Accord received Merit standing in the Six-row Barley

of 16 members.

Anyone wishing more information can contact Nigel Mansfield at 298-3625.

class, with a sample of Conquest.

The day was warm, sunny and bright when Pete McLeod decided to walk up to the corner for the mail. Usually the family pets follow, and this time two young white goats decided they wanted to make the trip. Susie wanted to stay very close, making it hard to walk, without tripping around her and Sally. The rattle of the mailbox when closed made them wheel around and dash halfway home before they decided to wait and walk Pete home. Wouldn't that just get your nanny?

MORINVILLE MEMOS

By Flo McGinnis

The town seems to be a bustle of activity any and every day lately, with "activities" and "events" going on or in the planning. Don't forget to give me a call at 256-3248 by Friday noon if you have something of interest that you wish in the news. You can phone your classified Gazette ads in to this number. You can pay your bill or obtain a subscription for someone at the McGinnis Realty Office, next to the Post Office.

March 31st is the last day for the Guides paper drive and there is still a long way to go to meet the quota. The paper depot is right behind Ernest Houle's residence and there IS A SIGN on the building, (the corner of Laval and Boisvert). Please drop off your papers there and SUPPORT THE GUIDES.

The ladies' Keep Fit classes

MD Opinion Poll Returns On Rec. Millrate Studied

Returns are starting to trickle into the Municipal District of Sturgeon office regarding an opinion poll being conducted in an effort to find out to what extent ratepayers are willing to have their millrate increased for recreation purposes.

About 2,800 questionnaires were mailed out several weeks ago with the MD's financial statement. The questionnaire is asking ratepayers of the MD how many mills (from 0 to 5) would they favor being levied for the purpose of expanding and improving recreational facilities within the municipal district.

To date, about 300 opinion poll questionnaires have been returned and these reflect a wide variety of opinions regarding the proposed millrate increase. A quick look at some of the 300 plus

ses have begun and there are 39 ladies registered this year. Sorry to those who missed getting registered, and a big thanks to Mrs. Dorothy Daignault for assisting at the registration nights.

On Saturday, March 10 a shavers hockey tournament was held in the Morinville arena with five teams competing for the trophy. Ben Accord, Gibbons, Legal, Morinville and Namao all had teams in action making a full and exciting day. The final game saw Morinville against Namao with a score of 3 - 1 in favor of Morinville. So now the Morinville Shavers have two trophies for '73; one from the Legal tournament and the one from the local tournament.

News from the bantams too! Playing in the Bantam Division semi-finals the Morinville boys tied Legal

5 all in the first game March 8. It was a two-game total point series and the second game was played in Legal on March 9. Second game score was 5 - 1 in favor of Morinville so they proceeded to the finals against Redwater. The finals were to be a best of three, but the first game score ended up at 8 - 1 for Redwater, and since the weatherman has been extremely unco-operative with any hockey this year there was a mutual agreement that Redwater take the trophy. But it was a fine season anyway and even though the Morinville bantams didn't bring home the trophy they proved that they are indeed a fine team.

Mrs. Lucienne Riopel, a Morinville artist has announced that a showing of her works will be presented from April 1st to 30th at the Gallery Romanov. Lucien invites all her friends, acquaintances, and residents of the area to drop in to the gallery and view her canvases. The Gallery is located at 12709 - 119th Street in Edmonton, and if you are a landscape enthusiast it will be well worth your while to see the Riopel display.

Rene Chevalier has organized a very full evening for the 1973 Parish Supper. From 5 - 7 the supper itself will be served with musical entertainment by Art and Denis Chalfoux from 5:30 - 7:30. There will be a Fish Pond in operation during the evening for the enjoyment of all the kiddies, and then at 8 p.m. the big \$500 Cash Bingo gets underway. Tickets are available at local business places, and there is a door prize on advance tickets. So get your tickets early and plan for a complete evening of family fun at the Morinville Parish Supper on Sunday, April 1st.

A few weeks ago we promised to keep you posted on the latest with regards to the work being done at the

church. If you will bear with me, there will be a report shortly.

The Senior Citizens Rendezvous Club had a very successful night on Friday, March 16 when they held their Whist Drive and Bingo. There were some 52 people at the Hut with 12 full tables of cards going. The bingo, played with decks of cards, was really something new, and turned out to be a big hit with everyone. Winners of prizes were: Door Prize Mr. Chris Vranas, 1st Prize Ladies' - Mrs. Fritz Devolder; Men's - Mr. Harold Rockwell, Booby Prize: Ladies' - Mrs. Harold Rockwell; Men's - Mr. Bill Rockwell. The Rendezvous Club wishes to send out a big thanks to the United Church ladies aide for donating the lunch which was sodelicious and thoroughly enjoyed by all.

Birthday wishes this week go out to Senior Citizen Mr. Henri Ricard on March 21st.

Anyone new to Morinville and District are cordially invited to join in the Wednesday afternoon card parties at the Senior Citizens Hut.

The Christian Ladies wish to thank everyone who supported them and made the wine and cheese party such a success. Special thanks are extended to Octave Himschoot and Matt Tellier who accepted the appointment to the committee, and did such a great job at the party. Solange Bachand, convenor for the event sends her personal thanks to everyone who helped in any way.

The Morinville Lions Club is holding a "Ladies Supper Night" on Monday, March 26 at 6:30 p.m. There will be guest speakers from Edmonton who will be speaking on "Children's Learning Disabilities." This is a very timely and important

subject, and the Lions would urge that the members turn out in full force. This is an opportunity for you to get

all the information, and have your questions answered on the subject of Learning Disabilities.

Credit Union has Excellent year

On February 28, the Morinville Savings and Credit Union Ltd. held their 33rd annual meeting. The president, J. L. Rousseau reported another record breaking year for the credit union. The assets as at the 31 December, 1972, were \$1,491,000., an increase over the previous year of \$531,000.00.

The total membership at the end of 1972 was 1,112 members. The president stated that this was quite an accomplishment for the

credit union. Mr. Rousseau also gave a report on the costs of the new building.

In view of the good year the credit union had in 1972, it was decided that a six per cent dividend would be paid on all Share Savings Accounts. The 1971 dividend was five per cent.

The credit union is also paying 7 1/2 per cent P.A. on two year Term Deposits.

The guest speaker for the evening included Mr. Jack Letts, senior examiner for credit unions from the Credit Union Branch, and Mr. Lisle Kivell from Cuna Mutual Insurance Society.

Mr. Kivell showed a very interesting film on how credit unions began, and the philosophy of credit unions.

He also presented the president with a beautiful wall clock for the new office.

Mr. Dave Bokenfohr read the credit committee report.

Mr. Earl Lundberg from the firm of Quilliam, Stuart and Co. chartered accountants, read the financial statement.

All vacancies on the board and other committees were filled.

The slate of officers at the present time are: Dave Bokenfohr, president; J. L. Rousseau, vice-president; and the directors are J. Andre Sabourin, Clarence Steffes, Norm Meunier, Maurice Rousseau and

Emile Morin.

Supervisory committee: Henry Chalfoux, Bernard Krawchuk, Ralph Gaetz.

The manager is Maurice R. Perras and the members of the staff are Dolores Calder, Gabrielle Morin and Irma Bulger.

At the time of press it was decided that the official opening of the new credit union office would be held on Saturday, March 31, 1973 commencing at 2 p.m. and to be concluded at 5 p.m.

We hope that as many members as possible will turn out to view these new premises, and we wish to extend an open invitation to anyone who is interested in this new Credit Union office building.
